## Worthington & Associates Ltd.

Worthington and Associates Ltd. offers legal education seminar materials to help professional purchasers and contract administrators reduce their legal risk and expand their legal knowledge. Our principal, Robert C. Worthington, LLB, has over thirty years experience teaching the laws of procurement, contracting and competitive bidding. Your organization can immediately apply the fundamental principles learned from these course materials to your everyday business. We think you'll agree, our products are worth their weight in gold! For a license to teach these valuable materials in-house in your organization, have your qualified instructor contact us today!

**seminars** Our one and two-day in-house law courses allow you to train all your staff to help avoid legal jeopardy. Each course is designed to give you procurement law information in an easy to understand way. Our courses are fast, efficient, affordable, and—believe it or not—they can be FUN! We're here to help you and your organization rise to the legal challenges inherent in purchasing, contracting, and competitive bidding. Now, more than ever, you need to stay informed about the laws that affect your day-to-day procurement and contracting affairs. Contact us for training today!

**keynotes** A dynamic speaker, an excellent presenter, and a true asset to every organization he has assisted, Robert will custom-design keynote addresses for any corporate event. Robert doesn't speak in legalese—he gives his audiences straight talk and straight answers—and he always adds a little humour to his presentations, just to keep things light. When you're planning your next corporate event, we hope you'll treat your members and guests to a lively, entertaining presentation by Robert Worthington. We know they'll want to see him again!

**books** No time to attend seminars? Ask about Robert's three books on purchasing and contract law, *The Purchasing Law Handbook*, *The Public Purchasing Law Handbook* and the *Desktop Guide to Procurement Law*. Must-have desk-top references, these indispensable guides are written and designed especially for *Canadian procurement professionals*. Bob's books make learning the laws you need to know easy and affordable. Keep the books handy - you'll use them every day!

**website** Visit our website periodically to check out Bob's bulletins and blog. We're interested in hearing from you, so keep in touch via e-mail, or sign up to our Mailing List and we'll let you know when we're having online courses with Bob!

If you are a professional purchaser or contract administrator,  
*you need to know these laws*. Expert help is just a phone call away.
